Apart from our product range listed on the website, we also make customized spa furniture as per drawing. Apart from Indian market our spa furniture is also being used in spa in Germany, South Africa, France, Netherland, Italy, Srilanka, UAE, Oman, Seychelles & Mauritius. We progress through innovation and quality.

Our portable Massage Tables are hot selling table in India because of high quality and reasonable price.

## Ayurveda Table

L 110" x W 35" x H 29"

**Ayurveda Table** is traditional Indian style massage table for performing the ancient Ayurveda treatment of shirodhara. Proper size and slopes are maintained while hand carving this table to allow the treatment oils flow down from the table. Handmade table crafted from 4" thick solid wood with brass ornamentation on the handles. The top portion is detachable and can be kept on the floor for treatments. It is traditional table only meant for Ayurveda treatments. A foam cushion, if required, can be ordered separately.

# Ayurveda Table

L 26" x W 20" x H 13.5"

L 22" x W 22" x H 77"

**Ayurveda Foot Step** has been designed to step on to the Ayurveda table. It becomes easy for overweight and aged clients to use this wooden step and get on to the table for treatments.

## Royal Electric Spa Table

L 78" x W 28" x H 28" ( height adjustable )

**ROYAL ELECTRIC SPA TABLE** has solidwood frame structure and natural wood veneers matching to the wood are used in the sliding shutters and at the bottom. This massage table comes fitted with 4 motors for electrically operated table height, electrically operated backrest and legrest positions. All electricals are from DENMARK. We use waterbased wood coatings from Italy to keep it more natural looking table. 6"/40 Density foam cushioning with soft touch leatherite is used in upholstery. The top cushion has rounded corner design. 1 hand control, 1 face rest, 1 headrest. 800 lb distributed load lifting capacity / 220 V AC operation. The height adjustment motors are 600oN power and the backrest and legrest motors are 400oM power. Very smooth 8: silent operation. Length of this table is 78" without headrest / face cradle. With headrest/face cradle attached to massage table, the length increases to 82". Similarly the minimum height is 28" which is further adjustable upto 35" height.

# Thai Massage Bed

L 86" x W 84" x H 8"

Thai style of massage involves stretching and deep massage. This form of bodywork is normally performed on specially designed low height Thai Massage Bed.

Our **Thai Massage Bed** is specially designed for Thai style of massage which is oil free. The mattresses supplied are 4" thick and hard to suit the Thai style of massage. The low height design combined with 9" wide border on top makes it look very neat and elegant in design. The two special mattresses of 36"\*75 are fitted into the bed so that the mattress do not skid while performing the deep massage. Clear area for massage is 72"\*75".

Top coating can be done of Dark Walnut or Wenge color. Leatherite color option for the mattresses is CREAM, BLACK or DARK BROWN.

## Shirodhara Massage Bed

**Shirodhara Massage Bed** is multipurpose treatment bed suitable for both oil & dry massages. The top mattress is detachable and can be removed from the bed and kept on the floor for dry floor massages or stretching exercises. Crafted from solid teakwood this massage table is supplied with lot accessories that are used in massage therapies. The accessories include a wooden step to get on/off the bed for old and overweight clients, two bolsters, two brass bowls for oil pouring and oil collection purpose, a detachable wooden drawer, detachable wooden tray, a cushioned wooden headrest and wooden part to incline the backrest. This massage bed has manually adjustable height and the height can be adjusted. Rounded corner top cushion for easy movement during massage therapy

Shirodhara Massage Bed

# Flexi Massage Bed

## Flexi Massage Bed

Flexi Massage Bed is the most versatile massage bed that can be used as spa lounger, massage bed or for foot massage. This bed has unique design and is different from other massage beds.

The backrest and legrest of this table are both adjustable. This massage bed can be supplied with standard face hole cutting or adjustable aluminium headrest.

Top coating can be done of Dark Walnut or Wenge color. Leatherite color option for the mattresses is CREAM, BLACK or DARK BROWN.

L 81" x W 32" x H 30"

### Lotus Spa Lounge Chair

### Poolside Lounger

### Thalir Spa Lounger

Lounge chairs are often required for poolside and indoors in the spa area. Global Alliance makes poolside lounge chairs and indoor spa loungers in harwood.

Our **Poolside Lounge** chair is made from kiln dried teakwood and coated with exterior grade polyurethane coatings. **Rati** spa lounger is for indoors and has adjustable backrest and legrest positions. This spa lounger chair with a jumbo size storage cabinet beneath. **Mandakani Spa Lounger** is also for indoors has beautiful design to enhance the interiors of any spa. Top coating can be done in Dark Walnut or Wenge color. Leatherite color option for the matteresses is CREAM, BLACK or DARK BROWN.

L 79" x W 31" x H 39"

L 79" x W 31" x H 16"

L 77" x W 34" x H 22"

## Foldable Massage Table

Foldable Massage Table is designed for easy set up. It is very strong built folding massage table that we even recommend for professional use. Careful selection of high quality material is used to manufacture this table — ISI marked plywood, imported Steam Beech wood. We use 40 density foam on this table.

Foldable Massage Table comes with adjustable height feature — minimum 23.5 to maximum 29.0 inches approximately, adjustable headrest and a carrying case. Color options in leatherite — CREAM, BLACK or Dark Brown. We have quick availability and ready availability for this table.

## Easy Massage Table

L 72" x W 30" x H 22"

L 78" x W 32" x H 24"

**Easy Massage table** is designed for Reiki practitioners. This table comes with adjustable height feature, adjustable headrest, carry bag and handrest supports at both the sides.

We use 3 inches thick & 40 Density premium quality foamsheet for padding on the top. Color options in leatherite — CREAM, BLACK or Dark Brown. Careful selection of high quality material is used to manufacture this table — ISI marked plywood, imported Steam Beech wood.

This massage table for Reiki is not readily available and is specially made on order.

**IKA Electric Massage Bed** is the most cost effective electric massage bed or electric facial bed manufactured by Esthetica. Driven by 6000N power electric motor, you can adjust the height of this bed from a very low to high position. Ika electric lift table can be used by salons, spas, physiotherapists or even by Tattoo parlours. This massage table is strongly supported by a durable, powder coated MS rectangular tube frame, adjustable headrest and can be designed with inclined backrest at request. We use 3 inches thick & 40 Density premium quality foam sheet for padding on the top section. Color options in leatherite — CREAM, BLACK or Dark Brown.

## Ayurveda Massage Table

L 83" x W 35" x H 29"

**Ayurveda Massage table** is a multipurpose massage table used for oil as well as dry massages. It is a blend of traditional Ayurveda Ayurveda Table and Modern Massage Beds. During regular dry massages you can use the top cushion, however, it can be removed and kept aside at the time of doing oil massages. Like traditional Dharapati, you can remove the entire wooden top off the bottom frame and keep it on the floor for floor massages. There is hand carving by an artisan on all the four legs and side frames. The Ayurveda Massage Table comes with removable wooden headrest and arm supports on the front. Top coating can be done in Dark Walnut or Wenge color. Leatherite color option for the mattress is CREAM, BLACK or DARK BROWN.

## Multipurpose Ayurveda Treatment Bed

L 75" x W 36" x H 27"

**Multipurpose Ayurveda Treatment Bed** suitable for both oil & dry massages. The top mattress is removable and can be removed from the bed and kept on the floor for dry floor massages or can be used during shirodhara treatment also. You can detach the cushioned headrest and insert the wooden headrest for shirodhara. During oil massage the mattress can be removed. The frame structure is and headrest are solid wood. We have used boiling waterproof plywood underneath the mattress to make it suitable for oil massage. It is most cost effective table for oil & dry massages. Length of this table is 75" without headrest / cushioned face cradle. With headrest/ cushioned face cradle attached to massage table, the length increases to 92".

Joy Hardwood Bed

## Joy Hardwood Bed

L 81" x W 33" x H 30"

**Joy Hardwood Massage Bed** is simplest in design but the most heaviest massage bed that we make. The legs of this bed have been manufactured from 5" thick solid wood to give it heavy look. Bliss Hardwood Massage Bed comes with adjustable height feature and removable wooden headrest. The backrest can be inclined at different positions. Though we recommend no wood color stain on this bed to keep its rustic look alive, top coating can be done in Dark Walnut or Wenge color. Leatherite color option for the mattress is CREAM, BLACK or DARK BROWN.

Anandi Foot  
Reflexology Chair

# Anandi Foot Reflexology Chair

Anandi Foot Reflexology Chair is the only and most suited chair for foot reflexology & foot massage manufactured by us. True to its name, Anandi Chair is ye, comfortable to sit on with its majestic looks, big size, lay back design and broad handrests. It is supplied as a set of three - Anandi Chair and two stools. The low height stools is used by the therapist for doing foot massage.

Top coating can be done in Dark Walnut or Wenge color. Leatherite color option for the seats is CREAM, BLACK or DARK BROWN.

Pedicurist Stool is most suitable for salons and spas doing pedicure treatment. Apart from seating for the therapist, this stool has footrest for the client and an internal drawer to keep pedicure tools and creams. Leatherite color black and wood coating color dark wenge.

# Foot Reflexology Sofa

## Foot Reflexology Sofa

**Foot Reflexology Sofa** is plush design, extremely comfortable sofa for foot massages. Manufactured in two variants — Electrically Controlled Backrest or Fixed Backrest. Lot of effort has been done to create a very comfortable seat for this sofa. Extra padding on armrests, backrest, head & shoulder area gives a truly rich and comfortable experience to the client even while sitting or at different reclined positions. It is supplied with two ottoman and can be customized in different leatherette options as per your salon or spa interiors.

**Foot Reflexology Sofa** comes with two ottoman. Designed for foot massages, it is built to give maximum seating comfort and ideal height for foot massage. Kumud Sofa can be ordered in two options - with electrically controlled backrest and without electrically controlled backrest. The wood element to its design makes it more suitable for the spa and gives rich look.

Pedicure Spa

# Pedicure Spa

L 67" x W 30" x H 58"

L 21" x W 23" x H 14"

L 18" x W 18" x H 18"

Pedicure Spa ESSR0368 is fully electrically controlled for easy operation while use. The pedicure tub is made from high quality acrylic material and fitted with 6 jets to give powerful water massage to the feet. The intensity of water massage can be controlled through air regulator, there is a provision for hot & cold water inlet with mixing tap, handheld pull out shower for therapist to wash foot while doing pedicure, adjustable footrest and air ON/OFF switch for safety. The massage chair fitted on this pedicure spa can be electrically moved forward, backward, reclined or inclined as per client's comfort and convenience. The massage function include strong Kneading, Tapping, Rolling & Vibration massage. The armrests are adjustable for easy sitting on to the spa. Highly comfortable, relaxing and trouble free pedicure spa for professional use by Esthetica.

Portable Pedi Spa offers quiet & hygienic hydromassage in spa pedicure procedure. The Spa Pedicure procedure cleans and removes the dead skin cells from the feet and toenails. The foot massage rejuvenates the skin and relaxes tired muscles. Our Portable Pedicure Spa is compact, easy to install and gives impressive massage with very low noise.
